Exemption Order No. (2/2018)

The Authority for Public Services Regulation¹, is the Authority established pursuant to Article (19) of the Law for the Regulation and Privatisation of the Electricity and Related Water Sector promulgated by Royal Decree (78/2004) (Sector Law). In exercise of the powers conferred on it by the Sector Law the Authority hereby makes the following Order:

ARTICLE (1) Citation and Commencement

- 1.1 This Order shall be referred to as Exemption Order No. (2/2018) and shall be effective from 27 December 2018.

ARTICLE (2) Interpretation

- 2.1 In this order:

- 2.2 Definitions

"Affiliate"	in relation to the Exemption Holder means any Person which Controls (directly or indirectly) the Exemption Holder and any other Person Controlled (directly or indirectly) by such first mentioned Person, including where the Exemption Holder is a company, the ultimate holding company of the Exemption Holder and any holding company of the Exemption Holder and any subsidiary of such holding company;
"Authority"	means the Authority for Public Services Regulation established pursuant to Article (19) of the Sector Law;
"Commencement Date"	means the date on which this Exemption Order becomes effective as set out in Article 1.1;
"Controls"	means, in respect of a Person by another, that that other (whether alone or with others and whether directly or indirectly and whether by the ownership of share capital,

¹ Name changed as per Royal Decree No (78/2020)

the possession of voting power, contract or otherwise):

- (i) has the power to appoint and/or remove all or the majority of the members of the board of directors or other governing body of that Person or of any other Person which controls that Person; or
- (ii) controls or has the power to control the affairs and policies of that Person or of any other Person which controls that Person; or
- (iii) is the parent undertaking of that Person or is the parent undertaking of any other Person which controls that Person; or
- (iv) possesses or is, or will be at a future date, entitled to acquire:
 - (a) twenty per cent (20%) or more of the share capital or issued share capital of, or of the voting power in, that Person or any other Person which controls that Person; or
 - (b) such part of the issued share capital of that Person or any other Person which controls that Person as would, if the whole of the income of such Person were in fact distributed, entitle him to receive twenty per cent (20%) or more of the amount so distributed; or
 - (c) such rights as would, in the event of the winding-up of that Person or any other Person which controls that Person or in any other circumstances, entitle him to receive twenty per cent (20%) or

more of the assets of such Person which would then be available for distribution,

and, for those purposes, there shall be attributed to any Person the rights or powers of any nominee or associate of his and the rights and powers of any one or more Persons which he, or he and any nominee or associate of his, controls

and "**Control**" and "**Controlled**" shall be construed accordingly;

"Exemption"

a written authorization issued by the Authority to undertake any of the regulated activities pursuant to the provisions of the Sector Law without obtaining a Licence or exemption from one or more conditions of a Licence and **Exempt, Exempted** and **Exemption Holder** shall be construed accordingly;

"Licensee"

means a person granted a Licence by the Authority pursuant to the Sector Law, to undertake one or more of the Regulated Activities listed in Article (3) of the Sector Law;

"Person"

any natural person or public or private legal person, includes an individual, partnership, company, firm, trust, body corporate, government, government body, authority, emanation, agency, instrumentality, unincorporated body or an association;

"Premises"

means any plot of land, building or structure occupied or used by any Person;

"Regulated Activity"

means each of the activities listed in Article (3) of this Exemption Order;

“Sector Law” means Royal Decree (78/2004) governing the Regulation and Privatisation of the Electricity and Related Water Sector;

Terms defined in Law

2.3 Words and expressions, other than those defined in this Article (2), which are defined in the Sector Law, shall have the meanings ascribed to them in the Sector Law.

Paragraph references

2.4 References to paragraphs and Articles shall be to paragraphs and Articles in this Order and or in the Sector Law where indicated.

ARTICLE (3) Exemption

General

3.1 **Daleel Petroleum LLC (the “Exemption Holder”)** may, to the extent and for the purposes specified in paragraph (3.2), subject to the conditions specified in paragraph (3.3) and for the durations specified in paragraph (3.5), conduct the Regulated Activities specified in paragraph (3.2) without being required to be authorised to do so by a Licence granted by the Authority pursuant to Article (5) of the Sector Law. Accordingly, for those periods, to that extent, for those purposes and subject to compliance with those conditions, **Daleel Petroleum LLC** shall not be in breach of Article (4) of the Sector Law.

Purpose

3.2 Subject to the Conditions listed in paragraph (3.3) **Daleel Petroleum LLC** shall be Exempt as described in paragraph (3.3) in relation to the following Regulated Activities:

- (i) **The Generation of electricity;**
- (ii) **The Distribution of Electricity; and**
- (iii) **Supply of electricity to Premises.**

Conditions

3.3 The conditions referred to paragraph (3.1) in this Article are that:

- (a) The Exemption referred to in paragraph (3.2.1) (i) above in relation to **the Generation of electricity** , applies:
 - (i) to the undertaking of that Regulated Activity by the Exemption Holder (and by no other Person);

- (ii) at and using the Production Facilities listed in Schedule A, and no other Production Facilities or Location;
 - (iii) up to but not exceeding, and only for so long as those Production Facilities have no more than, the capacities listed in Schedule A; and
 - (iv) for the purpose listed in Schedule A.
- (b) The Exemption in paragraph (3.2) (ii) above in relation to **the Distribution of electricity** applies:
- (i) To the undertaking of that Regulated Activity by the Exemption Holder (and by no other Person);
 - (ii) At and using the Distribution Systems listed in Schedule A, and no other System;
 - (iii) To these Systems without extension; and
 - (iv) For the purpose listed in schedule A.
- (c) The Exemption referred to in paragraph 3.2(iii) above in relation to the **Supply of electricity to Premises** applies:
- (i) to the undertaking of that Regulated Activity by the Exemption Holder (and by no other Person);
- (ii) for the purposes of Supply to **ARA Oil Lease Automatic Custody Transfer station** of a capacity up to Maximum **30 KW** from the Exemption Holder for its metering station for the duration stipulated in this Exemption Order.
- (d) The Exemption Holder complies at all relevant times, in so far applicable to it, with all regulations, conditions, instructions, directives, and all other Regulatory changes and developments that may be issued by the Authority from time to time, including in relation to applicable tariffs and charges.
- (e) The Exemption Holder shall from time to time as and when required by the Authority, provide to the Authority all such information concerning:
- (i) the matters contemplated by the referred to in the foregoing paragraph; and
 - (ii) the Regulated Activities which are the subject of this Exemption, as may be required by the Authority.
- 3.4 The Exemption Holder affording Persons appointed by the Authority pursuant to Article (148) of the Sector Law, unrestricted access to all plants and

equipment and Premises used for the purpose of the Regulated Activities listed in paragraph (3.2.1) above.

Duration

- 3.5 The Exemptions conferred by paragraph (3.2) in this Article shall last for the following periods:
- (a) For the **Generation of electricity**: 15 years (renewable) from the Commencement Date, or until revoked by regulations issued by the Authority pursuant to Article (38) of the Sector Law;
 - (b) For the **Distribution of electricity**: 15 years (renewable) from the Commencement Date, or until revoked by regulations issued by the Authority pursuant to Article (38) of the Sector Law.
 - (c) For the **Supply of electricity**: 5 years (renewable) from the Commencement Date, or until revoked by regulations issued by the Authority pursuant to Article (38) of the Sector Law.

ARTICLE (4) Exclusion from PWP Purchase Duty

- 4.1 The Production Capacity and Output of the Production Facilities listed in Annexure C shall be exempted from the exclusive right and purchase duty of the PWP pursuant to Article (76) of the Sector Law, to the extent that such capacity and Output is:
- (a) Used for the purposes of Self-supply.

ARTICLE (5) Revocation and review

The Authority may review and, if it considers appropriate and, subject to the Sector Law, revoke or modify this Exemption at any time and from time to time should it feel that a change of circumstances has arisen such that it is in the public interest for it to do so. Without prejudice to the generality of the foregoing, the Authority may, in

particular, review and modify or revoke this Exemption if any of the following circumstances arises:

- (a) Liberalisation is proposed pursuant to Article (32) of the Sector Law;
- (b) the Authority revokes any relevant Licence or Exemption;
- (c) one or more of the conditions referred to in this Exemption is not complied with by the Exemption Holder;
- (d) on a Change of Control of the Exemption Holder which has not been approved in advance in writing by the Authority;
- (e) if it is found that the issue of this Exemption has been based on inaccurate or incorrect information provided by the Exemption Holder or any Affiliate of the Exemption Holder;
- (f) if the Exemption Holder seeks to Connect any System or Production Facility which is the subject of this Exemption Order, or if already Connected seeks a further connection, to the System of a Licensee;
- (g) if, after its System has become Connected to the System of a Licensee, the Exemption Holder suffers termination of its Connection Agreement with the Relevant Licensee or fails to comply with the requirements of the Grid Code and/or the Distribution Code, insofar as applicable to it.

Mansoor bin Talib Al Hinai
Chairman of the Authority for Public Services Regulation
On behalf of the Authority for Public Services Regulation
05 December 2022

Schedule A: Technical & Other Details

1. Location

The location, layout and characteristics of the Production Facilities and System that are the subject of this Exemption Order No **2/2018** are shown in the attachments of Schedule 2, including Tab F, of the Exemption Application.

2. Technology & installed capacities

Type of Generator	Marker and Model	Capacity (Site de-rated)
Gas Turbine generator-(A-1701)	Siemens make	5.8 MW
Gas Turbine generator-(A-1702)	Siemens make	5.8 MW
Gas Turbine generator-(A-1703)	Siemens make	5.8 MW
Gas Turbine generator (A-1721)	Siemens make	5.8 MW
Gas Turbine generator (A-1722)	Siemens make	5.8 MW
Total Capacity of Generation units (MW)		29 MW

3. Primary fuel

The Gas Turbine Generators are fuelled by natural gas as a primary fuel supplied from the Daleel Gas Plant.

Fuel Oil (Diesel) is used as a backup fuel oil.

4. Purposes

The Production Facilities that are the subject of this Exemption Order No. (2/2018) will provide electricity to:

1. Generate of electricity from the Exemption Holder's Production Facilities of a capacity up to Maximum 29 MW for the purposes of Self Supply for the duration stipulated in this Exemption Order at the location detailed in in Schedule 2 and Tab F of the Exemption Application;
2. Distribute electricity Generated from the Exemption Holder's Production Facilities through electricity Distribution Network shown in the drawings in Tab F of the Exemption Application for the duration stipulated in Condition 3.5(a).

3. Provide electricity to Oil Lease Automatic Custody Transfer (up to a maximum of 30 KW) from the Exemption Holder's system for the duration stipulated in Condition 3.5(c).
