Exemption Order No. (8/2005)

The Authority for Public Services Regulation¹, is the Authority established pursuant to Article (19) of the Law for the Regulation and Privatisation of the Electricity and Related Water Sector promulgated by Royal Decree (78/2004) (Sector Law). In exercise of the powers conferred on it by the Sector Law the Authority hereby makes the following Order:

ARTICLE (1) Citation and Commencement

- 1.1 This Order shall be referred to as Exemption Order No. (8/2005) and shall be effective from 1 May 2020.

ARTICLE (2) Interpretation

- 2.1 In this order:

Definitions

"Affiliate"	in relation to the Exemption Holder means any Person which Controls (directly or indirectly) the Exemption Holder and any other Person Controlled (directly or indirectly) by such first mentioned Person, including where the Exemption Holder is a company, the ultimate holding company of the Exemption Holder and any holding company of the Exemption Holder and any subsidiary of such holding company;
"Authority"	means the Authority for Public Services Regulation, established pursuant to Article (19) of the Sector Law;
"Commencement Date"	means the date on which this Exemption Order becomes effective as set out in Article 1.1;
"Controls"	means, in respect of a Person by another, that that other (whether alone or with others

¹ Name changed as per Royal Decree No (78/2020)

and whether directly or indirectly and whether by the ownership of share capital, the possession of voting power, contract or otherwise):

- (i) has the power to appoint and/or remove all or the majority of the members of the board of directors or other governing body of that Person or of any other Person which controls that Person; or
- (ii) controls or has the power to control the affairs and policies of that Person or of any other Person which controls that Person; or
- (iii) is the parent undertaking of that Person or is the parent undertaking of any other Person which controls that Person; or
- (iv) possesses or is, or will be at a future date, entitled to acquire:
 - (a) twenty per cent (20%) or more of the share capital or issued share capital of, or of the voting power in, that Person or any other Person which controls that Person; or
 - (b) such part of the issued share capital of that Person or any other Person which controls that Person as would, if the whole of the income of such Person were in fact distributed, entitle him to receive twenty per cent (20%) or more of the amount so distributed; or
 - (c) such rights as would, in the event of the winding-up of that Person or any other Person which controls that Person or in any other circumstances, entitle him

to receive twenty per cent (20%) or more of the assets of such Person which would then be available for distribution,

and, for those purposes, there shall be attributed to any Person the rights or powers of any nominee or associate of his and the rights and powers of any one or more Persons which he, or he and any nominee or associate of his, controls

and "**Control**" and "**Controlled**" shall be construed accordingly;

"Exemption"

a written authorization issued by the Authority to undertake any of the regulated activities pursuant to the provisions of the Sector Law without obtaining a Licence or exemption from one or more conditions of a Licence and **Exempt**, **Exempted** and **Exemption Holder** shall be construed accordingly;

"Licensee"

means a person granted a Licence by the Authority pursuant to the Sector Law, to undertake any of the Regulated Activities listed in Article (3) of the Sector Law;

"Person"

any natural person or public or private legal person, includes an individual, partnership, company, firm, trust, body corporate, government, government body, authority, emanation, agency, instrumentality, unincorporated body or an association;

"Premises"

means any plot of land, building or structure occupied or used by a Person;

"Regulated Activity"

means each of the activities listed in Article (3) of this Exemption Order;

"Transfer Scheme"

means the scheme determined, implemented and modified, as appropriate, by the Ministry of Finance in accordance with the provisions of the Sector Law, for the

purposes of transferring the relevant assets and liabilities to the Successor Entity.

Terms defined in Law

2.2 Words and expressions, other than those defined in this Article (2), which are defined in the Sector Law shall have the meanings ascribed to them in the Sector Law.

Paragraph references

2.3 References to paragraphs and Articles shall be to paragraphs Articles in this Order and or in the Sector Law where indicated.

ARTICLE (3) Exemption

General

3.1 **Oman LNG LLC** may, to the extent and for the purposes specified in paragraph (3.2), subject to the conditions specified in paragraph (3.3) and for the durations specified in paragraph (3.4), conduct the Regulated Activities specified in paragraph (3.2) without being required to be authorised to do so by a Licence granted by the Authority pursuant to Article (5) of the Sector Law. Accordingly, for those periods, to that extent, for those purposes and subject to compliance with those conditions, **Oman LNG LLC** shall not be in breach of Article (4) of the Sector Law.

Purpose

3.2 Subject to the Conditions listed in paragraph (3.3) below **Oman LNG LLC** shall be Exempt as described in paragraph (3.3) in relation to the following Regulated Activities:

- (i) the **combined Generation of electricity and Desalination of water**;

Conditions

3.3 The conditions referred to paragraph (3.1) in this Article are as follows:

- (a) The Exemption referred to in paragraph (3.2) above in relation to **the combined Generation of electricity and Desalination of water**, applies:

- (i) to the undertaking of that Regulated Activity by the Exemption Holder (and by no other Person);
 - (ii) at and using the Production Facilities listed in Schedule (A), and no other Production Facilities or Location;
 - (iii) up to but not exceeding, and only for so long as those Production Facilities have no more than, the capacities listed in Schedule (A); and
 - (iv) for the purpose listed in Schedule (A).
- (b) The Exemption Holder affording Persons appointed by the Authority pursuant to Article (148) of the Sector Law, unrestricted access to all plant and equipment and Premises used for the purpose of the Regulated Activities listed in paragraph (3.2) above.
- (c) The Exemption Holder complies at all relevant times, in so far applicable to it, with all regulations, conditions, instructions, directives, and all other Regulatory changes and developments that may be issued by the Authority from time to time, including in relation to applicable tariffs and charges.
- (d) The Exemption Holder shall from time to time as and when required by the Authority, provide to the Authority all such information concerning:
 - i. the matters contemplated by the referred to in the foregoing paragraph; and
 - ii. the Regulated Activities which are the subject of this Exemption, as may be required by the Authority.
- (e) The Exemption Holder affording Persons appointed by the Authority pursuant to Article (148) of the Sector Law, unrestricted access to all plants and equipment and Premises used for the purpose of the Regulated Activities listed in paragraph 3.2.1 above.

Duration

- 3.4 The Exemptions conferred by paragraph (3.2) in this Article shall last for a period of 15 years (renewable) from the Commencement Date, or until revoked by the provisions of the Sector Law or Article (5) of this Exemption Order.

ARTICLE (4) Exclusion from PWP Purchase Duty

- 4.1 The Production Capacity and Output of the Production Facilities listed in Schedule (A) shall be exempt from the exclusive right and purchase duty of the PWP pursuant to Article (76) of the Sector Law, to the extent that such capacity and Output is used for the purposes of Self Supply.

ARTICLE (5) Revocation and review

- 5.1 The Authority may review and, if it considers it appropriate and, subject to the Sector Law, revoke this Exemption at any time and from time to time should it feel that a change of circumstances has arisen such that it is in the public interest for it to do so. Without prejudice to the generality of the foregoing, the Authority may, in particular, review and modify or revoke this Exemption if any of the following circumstances arises:
- (a) Liberalisation is proposed pursuant to Article (32) of the Sector Law;
 - (b) the Authority revokes any relevant Licence or Exemption;
 - (c) one or more of the conditions referred to in this Exemption is not complied with by the Exemption Holder;
 - (d) on a change of Control of the Exemption Holder which has not been approved in advance in writing by the Authority;
 - (e) if it is found that the issue of this Exemption has been based on inaccurate or incorrect information provided by the Exemption Holder or any Affiliate of the Exemption Holder;
 - (f) if the Exemption Holder seeks to Connect any System or Production Facility which is the subject of this Exemption Order, or if already Connected seeks a further connection, to the System of a Licensee;
 - (g) if the Exemption Holder fails to cooperate with and, to the extent that it may be a legal requirement that it should do so consent to and approve the Transfer of all relevant contracts to which it is a party with MHEW pursuant to the Transfer Scheme without challenge or objection; or
 - (h) if, after its System has become Connected to the System of a Licensee, the Exemption Holder suffers termination of its connection agreement with the relevant Licensee or fails to comply with the requirements of the Grid Code and/or the Distribution Code, insofar as applicable to it.

Mansoor bin Talib Al Hinai

Chairman of the Authority for Public Services Regulation

On behalf of the Authority for Public Services Regulation

01 November 2022

Schedule (A): Technical & Other Details

This Schedule will contain the following details relating to the Regulated Activities:

1. Location

The location, layout and characteristics of the Production Facilities and System that are the subject of this Exemption Order No. (8/2005) as shown in the attachments of the Exemption application form.

2. Technology & installed capacities

Type of Generator	Number	Capacity (ISO) rating
Gas Turbine Generator	6 Gas turbines	39 MW
Hydraulic Turbine	6 turbines	0.8 MW
Emergency Diesel Generators	2 generators	2.4 MW
Total Capacity of Generation units (MW)	243.6 MW	

Type of Desalination unit	Reference/ID of Desalination Unit	Capacity
Mechanical Vapour Compression	Desalination Package A	500 tonnes/day
Mechanical Vapour Compression	Desalination Package B	500 tonnes/day
Total Capacity of Desalination units (m3/day)	1000 tonnes/day for Oman LNG internal consumption	

3. Primary fuel

The Gas Turbine Generators are fuelled by natural gas from an Oman LNG terminal. The Diesel generators are fuelled by diesel.

4. Purposes

The Production Facilities that are the subject of this Exemption Order No. (8/2005) will:

- (1) Provide electricity and Desalinated water to Oman LNG for the purposes of Self Supply at the location detailed in the plot plan included in the Exemption application form;
